A4 - portrait, standard size, 210mm x 297mm

bleed →

trim →

safe zone →

■ Bleed - document size plus 2mm

■ Trim - actual size of A4 flyer
(standard 210mm x 297mm)

■ Safe zone - all text and graphic elements should be within this area, unless your design is meant to bleed to the edge, if so extend into bleed.

■ Cropmarks - include cropmarks to clearly indicate finished size
